**JOHN 13:35**

We are all unique and God has an individual plan for each of us. Each of us is created exactly the way God intended. God purposely created us different from others. Through our humanity, He gave each of us our own personality, gifts, and talents so that we can serve Him and others. He knows every detail of our lives and has GREAT plans for each us.

Bullying in any way is not the way of God. We cannot treat others differently because they appear different.

Bullying through computers, any electronic device or social media is just as harmful as bullying someone in person. It actually can be worse because the harmful words and pictures can be easily shared with others.

**“AND WHOEVER RECEIVES ONE CHILD  
SUCH AS THIS IN MY  
NAME RECEIVES ME.”  
MATTHEW 18:5**

Some mothers may have feelings of fear when they learn they are pregnant with child. Some moms are scared to raise a baby for different reasons. They may think that they won't be able to care for their child. They may feel that they don't have the finances to provide for their baby. We need to pray that these women can find hope in God and His plan for them and their unborn baby.

When a mom is pregnant with her baby, we know that God planned that baby and has a purpose for him or her. Adoption is the best choice for the parents and their unborn baby when the parents decide not to raise the baby themselves. With adoption, a woman gives her baby life and finds a loving home for her child. A mother's love is very unselfish, and women have a natural instinct to care for and protect their babies. It is not easy to place a child for adoption, but it brings peace to know that adoptive parents will love and care for their child. Adoption brings great joy to couples who can't bear children on their own. To be able to adopt a child is a HUGE gift to many families. For newborn babies in the USA, the wait to adopt varies, but could take years!

Jesus was adopted by  
his father on earth, St. Joseph.

**PSALM 127:3**

The Nativity story from Luke 1:26-38:

“In the sixth month, the angel Gabriel was sent from God to a town of Galilee called Nazareth, to a virgin betrothed to a man named Joseph, of the house of David, and the virgin’s name was Mary. And coming to her, he said, ‘Hail, favored one! The Lord is with you.’ But she was greatly troubled at what was said and pondered what sort of greeting this might be. Then the angel said to her, ‘Do not be afraid, Mary, for you have found favor with God. Behold, you will conceive in your womb and bear a son, and you shall name him Jesus. He will be great and will be called Son of the Most High, and the Lord God will give him the throne of David his father, and he will rule over the house of Jacob forever, and of his kingdom there will be no end.’

But Mary said to the angel, ‘How can this be, since I have no relations with a man?’ And the angel said to her in reply, ‘The Holy Spirit will come upon you, and the power of the Most High will overshadow you. Therefore the child to be born will be called holy, the Son of God. And behold, Elizabeth, your relative, has also conceived a son in her old age, and this is the sixth month for her who was called barren; for nothing will be impossible for God.’ Mary said, ‘Behold, I am the handmaid of the Lord. May it be done to me according to your word.’ Then the angel departed from her.”

The Preamble of the Declaration of Independence states:

“We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable rights, that among these are life, liberty, and the pursuit of happiness.”

We have a significant role in the legislative process. It is extremely important that we all become active in promoting and encouraging a God-pleasing decision on a bill by contacting our congressmen. There is no other issue that is more concerning, than the protection of all life from conception until natural death.

**1 CORINTHIANS 6:19-20**

God created each of us in His image and likeness. He gave each of us certain gifts and talents to use for His purpose. We need to believe in ourselves and know that God is always with us to help us make good choices. Many we don't make the right choices because we lack belief in ourselves. It is important that we realize the value of our lives and those of our friends. God created us to eventually be with Him in heaven. He lives in each of us, and we are called to show respect to ourselves. God created each one of us for His purpose – to serve Him and others. Our bodies are temples of the Holy Spirit and we need to always pray to make the best choice in each situation.

## Discussion of Persons Who Have Disabilities

Discuss the differences we notice in others - even our family members (hair color and texture, eye color, age, personalities, strengths, weaknesses, etc.).

Do these differences make us less valuable? Why or why not?

## Discussion of The Elderly

How do the elderly (grandparents) help us? Why are they valuable?

-What can we do to reach out to the elderly?

## Discussion of Those Who are Homeless

Everything belongs to God. We need to share our gifts. There are many poor in the world. People are homeless for many different reasons, and we will never know all the reasons. The most important thing we can do for them is to pray for them. Many of these people don't have anyone praying for them.

# **HONOR YOUR FATHER & MOTHER**

**MARY AND JOSEPH WERE  
UNSURE AND AFRAID, BUT  
MARY AND JOSEPH BOTH  
SAID “YES” TO GOD AND  
WERE PRO-LIFE**

**“HONOR YOUR FATHER AND  
YOUR MOTHER, THAT YOU MAY  
HAVE A LONG LIFE IN THE LAND  
THE LORD YOUR GOD IS GIVING  
YOU.”**

**EXODUS 20:12**

Joseph and Mary play an important role in the Respect Life Movement in the following ways:

-Mary said “Yes” to the angel Gabriel. She was frightened when he appeared to her at such a young age and told her that she would be the Mother of God. Mary had many questions and wasn’t sure what was happening at the time. However, Mary simply said, “Yes, let it be done to me according to Your word.”

-Joseph was also unsure about things. He didn’t fully understand what was happening or why it was happening. He also said “Yes!” He chose to take Mary as his wife to love, care and provide for her and Jesus. Joseph and Mary were not only Jesus’ parents, but His teachers.

-Saying yes when we have doubts and fears about something is very hard to do. With hope in God, we can say yes to things we have fear of in our lives. Just as Mary said yes to God, each of our mothers say yes to being our moms every day. Also, just as Joseph said yes to God, our fathers say yes to being our dads every day. They have made a commitment to love and protect you.

-Mothers and fathers are gifts to our families as they provide for our us and give us love and support. Let's pray all children, that they will know that they will always have God, the Father and Mary, our Mother in addition to our earthly parents.
